

# COLLINSON

## **Role - Furniture Maker & Workshop Technician**

**Location - Manston, Kent CT12**

**Working hours - 8:30-17:00**

**Salary - £30,000**

Collinson creates bespoke and made to order, design-led furniture from its workshop near Margate, Kent. The collection brings together modern and traditional design influences and production methods for a global audience.

Founded in 2021 by designer Edward Collinson, we are a small company and our specific approach focuses on producing beautifully finished furniture in our own distinct language. We work with private individuals and trade clients to create pieces for their projects. From made to order pieces from the catalogue to highly bespoke commissions we strive to be the go to resource for design-led, understated luxury furniture.

We are seeking a practical, organised, and enthusiastic Furniture Maker & Workshop Technician to support our workshop team. This role combines furniture making with workshop support, packing, dispatch, and general production assistance.

### **Responsibilities**

- Assisting with furniture production
- Selection and preparation of solid timber for production
- Preparing and packing finished pieces
- Making wooden crates and packing furniture pieces for international dispatch
- Supporting sample production
- Maintaining workshop cleanliness and organisation
- Assisting with machinery upkeep
- Supporting deliveries and installations of bespoke work

### **Requirements**

- Good practical skills
- Reliable and organised
- Strong interest or previous experience in furniture making and craftsmanship
- Positive attitude and willingness to learn
- Strong foundational knowledge of wood working and machinery

### **Desirable**

- Workshop or manufacturing experience
- Experience using woodworking machinery
- Driving licence

### **Benefits**

- On site parking
- Pension scheme
- Holiday - 21 days + bank holidays + your birthday + christmas eve
- Beautiful rural location 12 minutes from Margate, Broadstairs & Ramsgate
